MODERN CANADIAN INTERIORS

RICHELLE FORSEY, KEVIN MCBRIDE, MARTIN HELMUT REIS, COLIN SAVAGE, ALEJANDRO (SANDROS) VALENCIA

APR 23 - MAY 15

OPENING MAY 6, 7 - 10PM

The TLR Club documents the interiors of manufacturing sites, prisons, churches, vacant domestic dwellings and other decommissioned or abandoned buildings. Since 2004, club members have used twin lens reflex (TLR) cameras to imagine the lives and stories of those who inhabited these spaces and to document a wondrous devastation people wouldn't otherwise experience. Their photographs collectively capture the essence of each location as it existed and offer evocative portraits of a vanishing Canadian landscape. Curated by TLR Club and *Hotshot Gallery
